OK to winterize my boat after: (date) _____ (2 week advance notice please)

- Unless we have special instructions, after winterizing, we will leave the boat as we found it (i.e. if battery charger is on/off, we will leave it on/off). Premier Boat Sales and Service is not responsible for dead or low batteries in the spring.
- All agreements are scheduled on a first come, first serve basis. If freezing weather sets in before your scheduled winterization date, Premier Boat Sales and Service does not assume liability for your boat.
- Holding tank must be empty and fuel tanks need to be 3/4 full. All freezable items such as alcohol, food, drink, etc. must be removed from your boat.**
- Please keep in mind that Premier Boat Sales and Service cannot control the weather. Therefore, we recommend that all boats are winterized NO LATER THAN OCTOBER 15TH. Premier Boat Sales and Service requires a minimum of 2 weeks advanced notice to schedule your winterization.
- Premier Boat Sales and Service will not assume liability for freeze damage of outdrives unless we perform an annual factory-certified outdrive service prior to winterizing.
- Any vessel with closed coolant system - If antifreeze in block is found insufficient, antifreeze will be changed resulting in an additional charge.
- Premier Boat Sales and Service cannot assume responsibility for winterization unless boat is dewinterized by Premier Boat Sales and Service.
- We will come to your home or private dock for an additional service call charge. Minimum Service charge is \$75.00 regardless of distance from marina.
- YOUR VESSEL WILL NOT BE ABLE TO BE USED/STARTED UNLESS DEWINTERIZATION IS COMPLETED.**
